Blended Learning Principles

Blended Learning at Rhiwbeina Primary School will:

- Start with the curriculum and school vision for learning and teaching- what, why and how we teach.
- Consider the implications for staff and learner well-being when making decisions.
- Ensure continued and effective educational provision for ALL learners, providing a broad and balanced curriculum.
- Exploit the benefits of each mode of learning; face to face, distance and online, taking account of the best place for direct instruction and feedback.
- Make best use of face-to-face teacher time.
- Be developed to suit different age groups with different approaches to suit different subjects and areas.
- Take account of the unique school context and any barriers faced by any learners.
