## Mote Code of Conduct

### Step 1

I understand that Mote is a learning conversation.

### Step 2

I will speak to my teachers and friends via Mote as I would face to face and they will do the same.

### Step 3

I will always show respect for everyone who supports my learning via Mote.

### Step 4

I know I can ask sensible questions to help me if I am not sure about a task or a comment.

### Step 5

I will always use Mote to give positive feedback.

If my teacher is not happy with my conduct via Mote I will be reported to the Headteacher and the I.T. Manager. I understand that my parents will be contacted.

I understand that it is my responsibility to have a sensible learning conversation with my teacher. This is not a place for my parents to communicate with my teacher.
